

EURO STOXX 50™ Fund

Factsheet as of 31 August 2017

Investment Objective

The Fund aims to track the performance of the EURO STOXX 50™ Index as far as this is reasonable and legally practicable. The fund manager's policy for achieving this objective is by the utilisation of replication methodology. The fund manager will aim to hold mainly all securities that represent the EURO STOXX 50™ Index. In order to achieve the investment objective, the fund manager will utilise stock index futures.
